Can you send me the final statement on LSP.

Here is the statement from the Governor:

"I am appalled that such disgusting language was used by a Louisiana State Police trooper and am extremely disappointed to know that this occurred", said Gov. John Bel Edwards. "This type of behavior is not something that should be tolerated. It is not in keeping with their training, does a disservice to the men and women who put their lives on the line every day to protect and serve our people, and undermines public confidence in law enforcement. Further, the failure by the LSP to appropriately and timely take action on this matter is also unacceptable, and I have been assured by Col. Kevin Reeves that necessary safeguards and procedures are in place to ensure it never happens again."

Thanks.

Do we have a specific start date for Noel or no

I'm here with him now. He advises his LSP retirement is effective Sunday. I believe he texted Matthew.

His understanding was he starts Monday at LGCB.

Gotcha. The AP is asking me. Next week? Should I just be general?

I think that's fair

Does the governor have any comment on the release of the Ronald Greene body cam video? Will he order a wider release of the video?

Wed, May 19, 6:46 PM

The Governor has seen the video previously and he found it to be disturbing.
